

LOKAYUKTA HARYANA

INTERIM REPORT FOR THE PERIOD 01.04.2015 TO 17.01.2016.

I shall be completing my term as Lokayukta on 17th January, 2016. The Consolidated Annual Report as per Section 17(3) of the Haryana Lokayukta Act, 2002 for the Financial Year 2015-16 shall be submitted by my successor. However, since the period from 01.04.2015 to 15.01.2016 constitutes a major part of the Financial Year 2015-16, I deem it proper to furnish this interim report in order to record my impressions vis a vis specific areas requiring more attention. It may be mentioned that the statistical reports forming part of this report cover the period 01.04.2015 to 15.01.2016.

The Haryana Lokayukta Act, 2002 (hereinafter referred as the Act) has come into force w.e.f. 01.08.2004. The Lokayukta organization has been brought into existence in January, 2006 with avowed commitment on the part of State Government to provide with the people of State an efficient transparent and corruption free governance. The Lokayukta organization comes under the ambit of the Haryana Lokayukta Act, 2002 and Haryana Lokayukta (Functions, Powers, Inquiry and Investigation) Rules, 2008 (hereinafter refereed as the Rules) framed there under.

v)	Complaints in which appropriate recommendations and suggestions were made to the Competent Authority for taking action. Out of these complaints action taken report received only in 07 complaints/matters. (As per Annexure-III)	=	73

- vi) Details of remaining complaints in which reports in terms of Section 17(2) of the Haryana Lokayukta Act, 2002 not received from the departments concerned till 15.01.2016. = 66
(Annexure -IV)

As earlier observed in the Annual Report for the year 2014-15, it is now again observed that due to awareness in general public about the working of this institution the receipt of complaints is on the increase. It is also pointed out that many a times, grievances of complainants are redressed and required necessary action is taken by the concerned authority during the course of inquiry and investigation of complaints, in that situation, and in the interest of justice, such complaints are disposed of at that stage, without any further action at the end of this Institution. The Lokayukta, Haryana in his annual report makes recommendations/ suggestions on various issues on the basis of grievances received against public servants. Instructions/ directions are also issued by the Government from time to time on the basis of recommendations/observations made in the annual report.

The Section 17(2) of the Haryana Lokayukta Act, 2002 envisages that the competent authority is required to examine the reports and intimate this institution within 3 months about the action taken on such reports. It has been observed that, in most of the complaints action taken reports are not being sent by the departments concerned i.e. within stipulated period as required under the Act, although even the Chief Secretary to Govt. Haryana issued instructions to all the Heads of Departments, Divisional Commissioners, Deputy Commissioners and Registrars of all the Universities in Haryana for complying with the provisions of Section 17(2) of the Act. Section 17(4) of the said Act further stipulates that the Governor shall cause to be laid on the table of State Legislature, a consolidated annual report within 6 months of its receipt with an explanatory memorandum indicating the action taken thereon and the reasons for not taking action in a given case.

This Act is an Endeavour towards providing efficient, transparent and corruption free administration to the public. Various steps are initiated from time to time for disposal of complaints and/ for redressal of the grievances. During the period under report, I visited the various Districts in the State and held meetings with the officers of the Districts Administration including the representatives of NGOs, Municipal Corporations/Committees, Members of Zila Parishad, Block Samities, Media Persons and Members of District Bar Associations. They were acquainted with the various provisions of the Haryana Lokayukta Act, 2002 as well as the Haryana Lokayukta (Functions, Powers Inquiry and Investigation) Rules, 2008. It is heartening to point out that my relentless/sustained efforts to ensure that the complaints are dealt with in a fair and judicial manner have borne fruit and more and more people have started availing the remedy provided under the Act.

The Section 10(3) of the Haryana Lokayukta Act, 2002 envisages that any letter written to the Lokayukta by a person in police custody or in a jail or in any asylum or any other custodial place, shall be forwarded to the Lokayukta unopened and without delay by the police officer or the person incharge of such jail, asylum or any other custodial place. If the Lokayukta is satisfied, that it is necessary so to do, treat such letter as a complaint made in accordance with the provisions of sub-Section (2) to meet this requirement of the Act during the year I inspected number of Jails during the period under report and heard the grievances of jail inmates in person and tried to redress their grievances by issuing directions to the competent authority.

In this Act, the appointment and functions of the Lokayukta have been provided for inquiry and investigation into allegations and grievances against public servants and for matters connected therewith. The common man has been given the right to approach the Lokayukta by way of filing complaints under Section 10 and projecting grievances against denial of any

right or act of mal-administration or inaction on the part of any public servant. The complaints, which do not fall within the ambit of the Act and not in accordance with the rules or in which no prima facie case is made out, are filed at the preliminary stage itself after thorough scrutiny. However, in respect of complaints in which a prima facie case is made out, the concerned public servant is called upon to give his comments and further investigation, if warranted, then due opportunity of hearing is given to the complainant as well as to the official concerned. A formal order is, thereafter, passed giving the result of the inquiry/investigation. Ultimately, under Section 17 of the Act, recommendations are made to the Competent Authority for taking action against the public servant, if so warranted, from the facts and circumstances of the case. Section 16 of the Haryana Lokayukta Act, 2002, also provides for punishment to a person who willfully or maliciously makes any false complaint under the Act. This is to ensure that no public servant is maligned or involved in a false complaint.

In so far as the present Act, 2002 is concerned, in my opinion, if some amendments on the pattern of central Lokpal and Lokayukta Act, 2013 (No. 1 of 2014) as suggested hereinafter are incorporated in the Act by the Haryana Govt. then this Haryana Lokayukta Act, 2002 can be made more effective and strong to deal with the menace of corruption and grievances of general public. The aim and object of the Lokayukta institution is also to monitor the act & conduct and working of the public servants in order to promote transparency and accountability in their functioning for the establishment of a good governance and a fair administration. At this place, it is also pointed out that as and when any request is made for filling up the vacancies of this institution the same is not taken seriously and still many of them are lying vacant , and this hampers the smooth working of this institution. It is therefore, recommended that steps should be taken to streamline the

recruitment procedure in Lokayukta Organization. The present system of borrowing the employees on deputation from other State Government Departments needs to be amended and Lokayukta should be given free hand in this respect, like other Head of Department.

In my earlier Annual Report for the years 2011-12, 2012-13 and 2013-14, 2014-15 I had suggested some amendments to make the Act more effective, model and number one Act in the country, but due to hanging fire of the fate of Lokpal/ Lokayuktas Bill at the Centre, it was written by the Chief Secretary to wait for the final enactment of the aforesaid Bill. Now, the Lokpal and Lokayuktas Act, 2013 (No.1 of 2014) (hereinafter referred to as the Central Act), has been finally enacted. As such, now a perusal of the aforesaid Act shows that it is within the jurisdiction of the State Government to establish its own independent Lokayukta Act to deal with the complaints relating to corruption cases against public functionaries, as provided under Section 63 Part II of the Act. Thus, now taking into consideration the provisions of the aforesaid Central Act and that of the shortcomings in the present Haryana Lokayukta Act, 2002, the following recommendations/ suggestions are being made to the State Government in my this Annual Report so that this institution could deal with the menace of corruption effectively and forcefully.

1. **The Investigating and Prosecution Agencies** be made under the control of Lokayukta Institution on the same pattern as provided under Section 20 of the aforesaid Central Act. At the same time, the provisions for the confiscation of assets , proceeds, receipts and benefits arising or procured by means of corruption by any public servant be also incorporated on the pattern of Section 30 and 31 of the aforesaid Act.

2. **Constitution of District Vigilance Committees-** In this regard, suffice it to say that in order to facilitate and assist this institution of Lokayukta at

the District Level or Divisional Level Vigilance Committees consisting of three eminent persons of fair record and repute be constituted, as per provision under Section 13 (a) of the Madhya Pradesh Lokayukta Act and Rules framed thereunder.

3. **Timely filling up of vacancies in the Investigating Wing of Institution of Lokayukta-** In this regard, it has been observed time and again that head of the investigating wing, who is an officer of IPS rank should be allowed to stay at least for three years instead of transferring him after few months and at the same time it is also recommended/ suggested that as and when any transfer of any officer/ official of investigating wing is effected, his substitute be provided immediately so that the enquiry/ investigation pending before him in the matter is not hampered.

At present the following posts in the Investigating Wing as well as in the Administrative Wing are lying vacant:-

Investigating Wing.

1.	Deputy Superintendent of Police	1
2.	Inspector	1
3.	Constable	7
4.	Personal Assistant	2

Administrative Wing.

1.	Personal Assistants	3
2.	Sr.Scale Stenographer	1
3.	Driver	3
4.	Peon	2
5.	Chowkidar-cum-Sweeper	1

It is also to add here that in the first Haryana Lokayukta Act of 1997, there were provisions of initiating action under the Power of Contempt of Courts Act against public servants, who fail to abide by the directions of this

institution. But this power was taken away in this present repealed Act of 2002.

Now, again in this report the recommendations already made in my earlier reports of 2013-2014 and 2014-2015, are also reiterated, which are as under:-

1. Power of Contempt of Court:- It is necessary and expedient to insert this provision in the Lokayukta Act as the directions/findings of the Lokayukta organization are recommendatory in nature. There is a general perception that findings, recommendations and observations of this institution do not carry any force or compulsive/persuasive strength and as such same are, many a times, not given due weight, respect and honour which is, in spirit, a contempt of this August Institution. This general administrative belief ultimately leads to the defeat of noble aim to give relief to the aggrieved persons. As such, so as to make the persons concerned feel the authority of this institution such a provision is highly recommended. If, the Act is amended, the Lokayukta shall have the power and authority in respect of contempt of itself as the High Court in the matter of summon and record, serving attendance of witnesses and upholding of its dignity and, for this purpose the provisions of Contempt of Courts Act, 1971, shall have affect subject to the modifications that;

- (a) the references therein, to a High Court shall be construed as including a reference to the Lokayukta;
- (b) sub-section (1) of Section 18 shall not apply to the Lokayukta; and
- (c) in proviso to sub-section (1) of Section 19 a reference to **“Judicial Commissioner in any Union Territory”**, shall be construed as including a reference to the Lokayukta.

This provision existed in Section 15 in the repealed Haryana Lokayukta Act, 1997. The similar provision also exists in Karnataka Lokayukta Act, 1984, Kerala Lokayukta Act, 1999, Madhya Pradesh Lokayukta Act, 1981 and Himachal Pradesh Lokayukta Act, 1983.

2. Suo-Moto Cognizance:- There was a provision of taking suo-moto cognizance of allegation and grievance under Section 8(1) of the repealed Haryana Lokayukta Act, 1997. If the same is restored by way of amendment, this will encourage the common man to come forward to file a complaint against a public servant, who might be holding very influential/powerful position. In such like cases, the Lokayukta shall be empowered to take cognizance on the basis of information/report in media etc./on his own accord. In the absence of such powers, the desired benefit of this noble legislation is not forthcoming. This provision also exists in the States of Karnataka, Maharashtra and Rajasthan. Further, in order to make this Act more effective and meaningful, a provision qua Whistle Blowers be also incorporated in the following manner:-

3. Whistle Blowers:- (1) Any person having information of any corruption in any public authority may send such information confidentially to the Lokayukta and the Lokayukta shall get an inquiry made into such information and if consider necessary get investigation made under the Prevention of Corruption Act, 1988 and Chapter IX of Indian Penal Code.

(2) The identity of such whistle blower shall not be disclosed if so desired and Lokayukta in genuine and in appropriate cases may issue necessary directions to provide full protection to such whistle blowers from any physical victimization, physical threat, or administrative harassment.

(3) The Lokayukta shall pass orders on the information received under this Section as expeditiously as possible within 15 days of receipt of such information and immediate action shall be taken in cases involving a threat

of physical victimization and such orders shall be complied with by the authorities concerned.

(4). The investigation in complaints by the whistle blowers facing physical or professional victimization shall be fast tracked on priority basis at the earliest on the receipt of the same. No anonymous or pseudonymous complaints shall be entertained. The complainant shall be required to disclose his identity to Lokayukta and the Lokayukta on the request of the complainant shall keep the identity secret. This provision has also been incorporated in the Himachal Pradesh Lokayukta Act, 2012.

4. **Limitation Clause**:- There was also a clause in the Haryana Lokayukta Act, 1997 providing for prescribed period of limitation of ten years for initiating the action in the matter of allegations but under the present Act of 2002, no such period of limitation has been prescribed and as such the complaints are being filed even in respect of matters where cause of action had arisen long back.

This provision is felt expedient so as to discourage, frivolous, vexatious and relatively old complaints. Thus, it is proposed that to keep a check on highly belated and vexatious complaints, a limitation period in the matter of allegations should be prescribed for 5 years whereas in the matter of grievances it should be restricted upto 1 year. However, a clause should also be inserted to condone the delay in the matter where sufficient and bonafide cause is shown for not making the complaint within the specific time. Similar provisions also exist in other States like Karnataka Lokayukta Act, 1980(6 months i.r.o grievance and 5 years i.r.o. allegation) - Section 8 (2) (c) and Section 8(2)(d) - Condonation is also admissible, the Kerala Lokayukta Act, 1999 (5 years i.r.o. allegations)-Condonation is also admissible, Section 8(2) (c). In the case of Maharashtra Lokayukta Act, 1971 (12 months i.r.o. grievance and 3 years i.r.o. allegations-Condonation is also

admissible for grievance only-Section-8(5)(a) and 8(5)(b). - Rajasthan Lokayukta Act- 1973, 5 years Section 8(3) U.P. Lokayukta Act, 1975- (12 months in respect of grievance and 5 years i.r.o allegations)-Condonation is also admissible i.r.o. grievance only-Section 8(4) (a) and 8(4)(b), Delhi Lokayukta Act, 1995, 5 years-Section 8(b) and M.P. Act, 1981, 5 years-Section 8(c).

5. **Act to have overriding effect:-** The provisions of this Act shall have overriding effect notwithstanding anything inconsistent therewith contained in any other law for the time being in force.

6. **Staff of Lokayukta:-** One more factor which is of great importance and also affecting the working of this institution negatively is the acute shortage of staff there in the Lokayukta organization. As per rules, the Lokayukta organization has not been allowed to constitute its own staff strength/cadre and all the regular employees are drawn from different Haryana Govt. departments and is struggling on the mercy of other departments. Section 19(1) envisages that Lokayukta may appoint in consultation with State Government such officers and staff as he may consider appropriate for the discharge of functions under this Act. The Lokayukta organization since its inception has been under staffed. Resultantly, the staff crunch is an impediment for discharge of Lokayukta institution's functions smoothly and expeditiously. This issue has been raised with the concerned authority time and again but to no avail. However, I am constrained to observe that the scarcity of the staff in the Lokayukta organization has not been removed. Thus, inadequate and posting of staff even less than the sanctioned posts is the biggest road block in quick discharge of functions of Lokayukta organization given the quantum of cases/complaints.

It is, therefore, necessary to amend the Haryana Lokayukta Act, 2002 as under:-

(1). The Lokayukta may appoint or authorize any officer subordinate to the Lokayukta to appoint officers and other employees to assist the Lokayukta in the discharge of his functions within stipulated period under the said Act.

(2). The categories of officers and employees who may be appointed under sub-section (1), their salaries, allowances and other conditions of service and the administrative powers of the Lokayukta shall be such as may be prescribed, after consultation with the Lokayukta.

(3). Without prejudice to the provisions of sub-section (1), the Lokayukta may, for the purpose of conducting enquiries under this Act, utilize the service of:-

- (i) any officer or investigation agency of the State or Central Govt., with the concurrence of that Government, or
- (iii) any other person or agency.

(4). The services of officers and employees, other than those appointed by the Lokayukta under sub-section (1) shall not be taken back before the expiry of the period of deputation by the concerned department without prior concurrence of the Lokayukta. This provision also exists in the Madhya Pradesh Lokayukt Evum Up-Lokayukt Adhinyam, 1981.

In case the amendments as suggested above are carried out, it would certainly make the institution of Lokayukta really effective and vibrant to deal with the menace of corruption so rampant in the day to day administration/public life and would also bring much needed dignity to the institution of Lokayukta.

During my tenure of five years it has been experienced and observed that due to lack of staff in the Investigation Section, the complaints were sent

to various higher authorities of the State Government for enquiry/ investigation within a period of 45 days. But, such enquiry reports in some of the cases did not reach to this Authority of Lokayukta even after many months and years together. This delay on the part of Enquiry Officers caused delay and as such the enquiries/ investigations could not be completed in a stipulated period of one year as prescribed under the Act. However, in this regard worthy Chief Secretary of the State Government has been writing to the Heads of the Departments, Commissioners and Deputy Commissioners for taking the directions of Lokayukta seriously.

It has been further observed that some of the complainants/ whistle blowers have raised various serious issues of scams involving crores of rupees, such whistle blowers/ complainants in most of the complaints have been appearing for months and years together to pursue their respective complaints before this Authority without any selfish motive. During the course of enquiry some of the complainants have also received threatening letters, which were ultimately sent to the concerned authorities.

Faced with such a situation it is proposed that some provisions/ mechanism be incorporated in the Haryana Lokayukta Act so as to compensate the complainants, who spend their precious time and money in pursuing the complaints and at the same time provision for providing security to the genuine whistle blowers should also be made under the rules of the Act.

During the course of enquiry and investigation held by this institution of Lokayukta, it has been specifically observed that in spite of serious allegations and grievances in the complaints initially raised by the common man before the high ups are taken in routine and very casual manner by the officers/ officials. To my mind, if such complaints are properly heard and appreciated with sensitivity at their level, the same can be redressed there

and then at their own end. This kind of attitude of good governance, if adopted, would go a long way to save the time and money of the public at large as well as of this institution.

KEY POSTS INVARIABLY BE MANNED BY OFFICERS ENJOYING THE REPUTATION OF HAVING AN IMPECCABLE INTEGRITY AND HARD WORKING.

In this regard it has been observed by going through the enquiry reports submitted by some of the officers of higher rank on the allegations of corruption against public servants that efforts are not made to dig out the truth qua the allegations levelled by the complainants. At the same time, there are some officers sitting at the helms of affairs, who conduct the enquiry entrusted to them qua the allegations of corruption against public servants with their such utmost honesty and integrity that true picture is reflected without any fear or favour. By all this, what I want to convey is that there is no dearth of such good officers in the administration and so, for good governance at all levels of the administration it is essential that officers known for their honesty and integrity should be given preference while posting on plum/ key posts in the administration. If this step is taken, it would go a long way to put the nail on the acts of corruption and also enhance the image of the State Government.

Again, before parting with this report, I would also recommend and lay emphasis for a long term plan to eradicate the corruption from the administration and public life. In this regard my first point is to make drastic changes in the education system of school going children by including high moral-value-based syllabus (with a motto of character building). This kind of syllabus can be included with a subject of moral education containing our old rich heritage culture and lives of great personalities/ leaders of our country and that of the world. This subject of moral education should be made compulsory subject, prepared by the eminent educationists in all the

educational institutions of the State of Haryana. In this way I hope and trust that ultimately, after completion of their school education the students would come out with such high moral values in their head and heart that they would never think of indulging in any kind of corruption or immoral activity after joining any institution/ administration or public life. No doubt, this process would take a long time say a decade or so to achieve this noble and pious goal, but it would ultimately go a long way in eradication of the corruption and mal-practices/mal-governance, which are prevalent in day-to-day administration/public life. In this regard, a plan with broad lines prepared by me under the heading “Corruption And Crimes; Remedial Measures Thereof”, in English and Hindi both, are also attached herewith in the form of ANNEXURES ‘A’ and ‘B’ respectively for kind perusal of Law Makers.

At the end, I would also like to quote the concluding remarks of the speech delivered by late Dr. Bhim Rao Ambedkar and Dr. Rajendra Prasad, Framers of the Constitution, before the National Constituent Assembly in the year 1949 that *“If the people who are elected are capable and men of character and integrity, they would be able to make the best even of a defective Constitution. If they are lacking in these, the Constitution cannot help the country.”*

It is also very pertinent to mention here that when Dr. Rajendra Prasad breathed his last, he left behind only an amount of Rs. 365/- in his Bank Account at Punjab National Bank, Patna, which is still being preserved. Similar was the case of our Late Prime Minister Shri Lal Bahadur Shastri. This is all for us to derive the inspiration and contentment from such great Statesmen/ Leaders of our country.

Keeping in view this aforesaid observation of our great leaders I would again recommend and suggest for holding special Seminars and

Camps for imparting/teaching the relevant lessons of Character Building, Integrity, Honesty and Human Values for the Law Makers as well as the Public Servants sitting at the helm of affairs of the State Administration. It is also pertinent to mention here that such kind of Seminars/ Camps for the Law Makers are also being arranged and adopted in England, which ultimately proved to be very fruitful for the change of their Mind Set and Good Governance.

ANNEXURE 'A'CORRUPTION AND CRIMES; REMEDIAL MEASURESTHEREOF [By Justice Pritam Pal, Lokayukta, Haryana]**OUR
LEGACY**

I feel proud to write that I was born in this holy land where saints, sadhus and teachers established great Vaidic ideologies, moral values, heritage, Indian culture, learnings, spiritual and moral values on the world stage. It was on the basis of these great values that India gained recognition as the World Guru. India became known as the *Sone KI Chidiya* (Golden Bird) as a result of its social, economic, practical superiority and qualities. There was a time when people from all over the world flocked to India to acquire purity of knowledge and philosophical education. (Manusmrity)

*Etet desh prashutashya, sakashaat agra janman
Swayan-swayan charitran shiksharen, prithivyang sarva
maranva: (From Manusmrity)*

But today I feel very sad to say and write that these great Indian spiritual and moral values of life also began to change with the passage of time in India and there was a fall in the established social, economic and political values and standard over the years. We are witness to the present degrading social condition in India. Everyday some or the other event takes place that forces us to hang our head in shame. Human values are falling day by day. There is no fear of law and administration. These are a matter of serious concern to all of us. We can see how women are falling victims to sex and lust and how the young generation of the country is losing its way. Seeing the rampant corruption, scams and the heinous crimes like the gang rape, murder of Delhi's Nirbhaya-Damini on December 16, 2012 and large scale murder of girl child in the

country, we feel as if our culture and tradition is suffering a great downfall. It is a challenge for all of us countrymen to find out the reasons and causes behind these disturbing happenings in order to be able to overcome them.

REASONS; BEHIND CORRUPTION AND CRIMES

DIS- APPEARANCE OF INDIAN TRADITIONAL EDUCATION AND CULTURE.

As mentioned above, our education, culture and values of life held superiority in the world. The universe recognized India as the World Guru. In this connection I would like to quote a part of the statement given by Lord Macaulay in the British Parliament on February 2, 1835.

“I have travelled across the length and breadth of India and I have not seen one person who is a thief or a beggar. Such wealth I have seen in the country, such high moral values and people of such caliber; that I do not think we would ever conquer this country, unless we break the very back bone of this nation, which is her spiritual and cultural heritage, and therefore I propose that we replace her old and ancient education system, her culture. if the Indians think that all that is foreign and English is good and greater than their own, they will lose their self-esteem, their native culture and they will become what we want them, a truly dominated nation”.

This meant that the Indians had great moral values. Philosophy, religion and culture were the backbone of the country. It was impossible to win India without breaking this backbone. The foundation of the Indian education system was extremely strong, based on moral and spiritual values and heritage. It was scientific, mature, full of values that taught self sacrifice for the good of others. No wonder the Indians were great and it was difficult to conquer them, unless the great Indian

education system was damaged, destroyed and replaced by some other system. This would make Indians lose their self-esteem and they would be ready to be dominated by the West.

**DOMINANCE
OF FOREIGN
CULTURE,
EDUCATION
AND LEGAL
PROCESS**

History is witness to the fact that whenever they got the opportunity, the foreigners continuously attacked our Indian education system and culture. Many laws were formulated to bring about a revolutionary change in our education system. English language was slowly promoted as a medium of Indian education. Indians were forced to learn English to be able to get petty government jobs like clerks and Babus. English was also promoted vigorously in Public Schools. Morning prayers and meetings in schools began to be based on western culture making children distance themselves from the native culture and human values. All such changes deeply influenced our thinking, food habits, living style, culture, character and moral values, making us lean towards western culture and tradition and the result is obvious now. Today our children and youth are influenced by the western culture. It is common for our youth today to consume liquor, take drugs and many other intoxicants. These intoxicants had a direct adverse effect on our mind and our thinking became corrupted. As we become attached to bad habits, we lose our moral character and become criminal-minded and corrupt. We become attracted to a life of crime and our priceless and pure life degrades. This degradation starts polluting our neighbourhood, village, city, society and the atmosphere of the entire nation. The ill-effects of all these becomes visible on our relationships.

**DEGRADATION
OF THOUGHTS
AND CULTURE**

We see today in India how the respect and care towards parents and elderly by the younger generation and children is decreasing. The

Marriage system, which was considered a holy bondage of our culture and tradition is also breaking down day by day. The courts today are flooded with cases of divorce, separation and maintenance allowance. Law makers are becoming law breakers. According to the report published in an English daily (Daily Post) on January 25, 2013, criminal cases are pending against 1448 out of the 4835 sitting Members of Parliament (MPs) and Members of Legislative Assembly (MLAs). This means there are criminal cases pending against 1448 (31 per cent) of the MPs and MLAs, while as many as 641 are charged with serious cases of Rape, Robbery, Kidnapping, Murder and Extortion. But this is not the end. Many officials, top politicians and ministers are found involved in cases involving scams of millions and billions of rupees. Usage of money power and muscle power is increasing day by day. This is forcing honest and gentle people to stay away from politics. As the great philosopher Plato rightly said, ``Penalty for not participating in politics is that you end up being governed by your inferior.’’

**TWO,
RECENT
EXAMPLES
BEFORE ME**

In the present times a belief has developed among most of the people that unless you pay bribe, none of your work will materialize. I have myself realized that what to talk of general public, even well-to-do literate persons often come to me with complaints that their small works at lower levels are deliberately stalled for years together. I can give you example of two such recent complaints without naming anyone. A person named `B` sold his plot and mortgaged the jewelleryes of his wife to hand over Rs 14 lakh to his close relative to be able to make arrangements for sending his son abroad for a job. The son of this relative had already gone abroad. The relative had assured him of

getting the work done, but in connivance with the police he robbed the entire money of `B`. In the end neither his son could go broad, nor did he get back his money. No enquiry was done by the police at first on complaint by `B`. Later after several months of persuasion the case was finally registered by the police and two people, who used to work as agents were challaned. However no action was taken against two other people who were real culprits. In fact these people were declared innocent at the time of presenting challan in the court.

When the complaint came to me I read the challan file on enquiry from the police and found out that on being paid bribe, the investigation officer had deliberately allowed to go scott free the two criminals who had cheated `B` of Rs 14 lakh. Going through all the facts and figures I observed that the complainant had not been able to pay bribe as a result of which both the main accused had escaped punishment. But I would like to mention here that after serving notice when I called to my office for inquiry the investigation officer and the person who was abroad and on whose assurance Rs 14 lakh had been paid for sending `B`'s son abroad, it was reported that both of them were now dead. It is true, the corrupt and accused can dupe the law and court to escape punishment, but he cannot escape the justice of God.

The second instance relates to the Haryana Urban Development Authority (HUDA). A person named `B` complained that he had not been issued the completion certificate despite the fact that the building had been constructed two years ago. He had appealed under the prevalent law which had been accepted and it had been ordered to hand over the completion certificate at the earliest. However, despite the

government order `B' had not been issued the completion certificate. `B' had taken a loan of crores of rupees from the bank for raising the building to start a resort there. He was paying lakhs of rupees per month even as interest to the bank for the huge loan. But the cause of the delay was obviously for not paying the bribe. `B' was under a lot of stress and strain as a result of the repayment of bank loan and interest due to the delay in the certificate. He had become a blood sugar and hypertension patient as a result. Before the completion of the inquiry, the wife of `B' came one day to tell me that as a result of all the tension pertaining to the case, her husband had died. My purpose of writing all this is to show the degradation of the thoughts and values of the officials and those in power today. How much insensitive they have become that even the just and right works cannot be done without paying bribes. Here the names of the culprits have not been written keeping the law in mind. What would be the end result of such happenings? The Hon'ble Supreme Court observed while delivering judgment in a case of Maharashtra State under Corruption Act 1988. ``Corruption is the mother of all evils that affect governance, economy, institutions and people's will to do progress, and any soft approach in dealing with it will result in anarchy.

``Corruption mothers disorder, destroys societal will to progress, accelerates under served ambitions, kills the conscience, jettisons the glory of the institutions, paralysis the economic health of a country, corrodes the sense of civility and mars the marrows of governance,'' a Bench comprising of Hon'ble Justice K S Radhakrishnan and Hon'ble Justice Dipak Misra observed in a judgment.

“ It can be stated with absolute assurance that the tendency to abuse the official position has spread like an epidemic,” making people believe that “Unless bribe is given, the work will not be done,” the Bench lamented.

“To put it differently, giving bribe, whether in cash or In kind, may become the mantra of the people,” if the situation was allowed to continue, it noted while rejecting the plea of two government servants of Maharashtra for quashing a corruption case against them on the ground that their trial was going on for more than 26 years.....”

**DOWN FALL
IN THE
STANDARDS
OF
TEACHERS
AND LEVEL
IN
EDUCATION**

It is a fact today that even our teachers these days are coming out on the streets in favour of their rights and demands. Many times on TV we even see police lathi charge on the teachers. On the other hand even the students of our schools and colleges adopt aggressive postures in favour of their rights and demands. As a result of all these unrest, our country has started lagging behind other countries in basic moral and educational standards. In this connection I read the statement of our President Pranab Mukharjee issued in Sonipat, Haryana on March 22, 2013. According to the statement, “It is a matter of grave concern that despite having 659 degree awarding institutions and 33,023 colleges in the country, not a single university qualifies among the top 200 Universities of the world, according to an international survey.” He further said, “India, which represents about 17 per cent of the global population, had filed only 2 per cent patent applications in 2011. In all India filed about 42,000 patent applications, whereas America and China filed more than 5 lakh applications.” The above example shows how much we lag behind today in the educational standard. Besides we also

feel lack of moral values and teaching commitments among the teachers. In the same way, we also find missing among the students the respect towards their teachers like the older times and the ideal pure relationship between the teachers and the students today. Moral values are falling today and this is creating an unfortunate and alarming situation for all of us. In reality it is the fall in such values which is creating a situation for evils like corruption, anarchy and heinous crimes in the country. If the situation is not controlled soon the country will have to face serious consequences as the Supreme Court observed above.

REMEDIAL MEASURES

As I mentioned in the beginning of this piece we all Indians inherited such great values and heritage which is slowly getting corroded. But there is no cause to get discouraged and lose hope. We can regain our great national culture and heritage and values again and control crime and the rising corruption, anarchy, and check fall in moral values in our society. This is my firm belief, thought and observation based on the 50 years of my experience. But to achieve this we will have to follow and adopt the below written suggestions in the form of **Five Mool Mantras**. To succeed in this great mission the government and society will have to work together with a firm belief. Then no power in the world will be able to stop us from getting back our rich heritage of culture and high moral values as observed by Lord Macaulay in the British Parliament in 1835.

POLITICAL WILL AND PUBLIC OPINION

FIRST MANTRA

First our leaders in the government and all the political parties should decide upon the necessary qualifications and character

verification of the leaders to be elected to our Assemblies and Parliament. It is rather tragic that the qualification and character verification of people is done strictly for those people applying for even government jobs like peons and guards, but the same is not done for those people who govern this democratic country. I believe that if the leaders holding high posts are honest and of good character, they can change the corrupt government and administration through Good Governance. On the contrary if the leaders running the country are incompetent, corrupt and characterless you can as well imagine the fate of the country.

In 1949 when the makers of the Indian Constitution were giving it the final touches, Dr Ambedkar observed that there was something lacking in the document and started suggesting some amendments. Dr Rajendra Prasad, who later became the first President of the country told him, ``Dr Ambedkarji, merely setting aside the drawbacks of the Constitution will not solve the purpose of bringing about the necessary changes for the growth and progress of the country. This will depend on the elected representatives of the assembly and the parliament who will frame the laws of the country. If the elected representatives are honest and of good character, the drawbacks in the Constitution will not pose any hindrance to the growth of the country, but if the elected representatives are dishonest and corrupt, then even the written Constitution of the country will not be able to help the countrymen.'' My purpose of writing all this is only to suggest that all the political parties should join hands together to create a mechanism and public opinion so that the corrupt, dishonest and the wrong elements in the country are

stopped from being elected to the top posts of the country as people's representatives.

**SECOND
BASIC
MANTRA**

**THE AIM OF PRIMARY EDUCATION SHOULD BE OF
CHARACTER BUILDING AND BASED ON MORAL
VALUES**

Mahatama Gandhi had said ``By education I mean the all round development of the child,. Education therefore should develop the physical, mental, philosophical abilities of the child, besides help in character building. In other words education should enable the child to emerge as a good human being who can be instrumental in the construction of a good society and a great nation. In my view this is the greatest solution of the present crisis facing the country. Looking at the rampant corruption, bribery at every stage, rape, murder and scams taking place in the country we often comment that there is a need for a change in the mindset of the countrymen. It is therefore necessary to bring about more strictness in the laws.

After making a few amendments in laws our leaders think these will solve all the present problems facing the nation. But I want to ask. Has the mere strictness in law been able to reduce the rampant anarchy and corruption in the country? Figures tell that such crimes are increasing day by day instead of getting reduced. Where then is the drawback. The real drawback is in our mind and thought process. It is in our mindset and culture. Have we taken any step to change all these in the last 65 years since independence?

Even today after every ghastly crime that makes us hang our head in shame, it is said that there is a necessity to change our mindset. For

some days the newspapers, radio, TV channels and some representatives of the government vociferously express their feelings on the issue and then they all become silent. Whereas I strongly feel that change will not come merely by talking about it, neither is there any key by which we can immediately change the present mindset of the youth and others in the country and all the corruption and crime will end.

In reality for finding solution to the mindboggling problems facing the country there is a need for formulating a long term plan. For this purpose committees of eminent and expert educationists should be formed at the state and the central level whose members after deliberations with eminent thinkers prepare an elaborate syllabus for the mental, physical, character building and all round development of the child so that their thoughts and moral values and culture become so strong and firm that when they finish education they emerge as an ideal and responsible citizen of the country. They should be so strong that whether they go for higher education or join any other field they should be able to prove themselves as good parents, officials, leaders to be able to take their society, state and country forward.

Based on the experience of my life I would like to say here that there are many people in society and government who have earned fame because of their honesty and high moral character. Many complaints came where both the warring parties recommended a particular officer's name for the inquiry simply because they trusted his fairness and integrity. People of such good character and honesty are still found in small numbers every field. On close observation it emerges that behind their honesty and fairness there was their families and good school

education that taught them the values of high moral values, truthfulness, fairness and honesty. The lessons learned by such people in their formative years remain with them throughout their life.

IDEAL PARENTS, TEACHERS AND SOCIETY

THIRD BASIC MANTRA

The first responsibility of the parents should, be that besides giving birth to their children they should also make them great human beings by instilling good ideologies and high moral values. Even when the child grows up he only spends around six hours with the teachers. On the other hand he spends the rest of 18 hours with his parents, friends family and neighbourhood. A child inherits his initial culture from his parents, but we are witness to the fact today that many children spend their childhood without the company of the parents. As a result his thoughts, nature, habits and culture start becoming corrupt and it becomes very difficult to change these at a later stage. It is therefore absolutely necessary that parents should spend more time and energy in turning their children into responsible citizens from an early stage instead of merely focusing on their work, while neglecting the child. It becomes utmost important that the parents should themselves present an ideal image to their children that they can follow.

Afterwards when the child goes in the custody of the educational institutions and his teachers, he should get a clean and holy atmosphere where character building should be of utmost importance. To achieve this purpose the government should pay special attention to the budget allocation for education so that it prepares an ideal infrastructure for providing the best of education to the children through teachers who are fully qualified and of good character and high moral values, committed

to education. I believe that it is the first duty of the government to put education and teachers on the highest pedestal. For this it is necessary that teachers of high educational caliber should be prepared. The training of such teachers should also be of the highest standard so that they are able to present an ideal example to their students. Such eminent teachers of high quality, caliber and moral values should be appointed by the government and private institutions on high salaries and provided all education related facilities and infrastructure. The government should initiate such a step without any delay so that the coming generation gets an ideal educational atmosphere based on high moral values. Only this will end the rampant corruption, anarchy and other crimes automatically in the society and country with the passage of time.

LAW SHOULD CHECK THE VULGAR AND LOW QUALITY LITERATURE, TV CHANNELS' SHOWS, FILM SHOWS, MAGAZINE, POSTER, NEWSPAPERS AND PRINT AND ELECTRONIC MEDIA

**FOURTH
BASIC
MANTRA**

I would like to state that in the present times we feel ashamed of watching, reading or hearing together these so called entertainment sources. You also understand very well why this is so. I feel ashamed of writing more about these entertainment sources. It is enough to state that all the people in the government and the media should formulate an agreement and mechanism so that all these entertainment sources can be used for the welfare of the children, youth and the country. We are witness to the fact today how all these above mentioned sources are being used without any control in the mad rush for earning income. The

government and the political leaders should formulate necessary laws keeping in mind all these facts.

GOVERNMENT CHARACTER BUILDING DEPARTMENT

**FIFTH
BASIC
MANTRA**

I have inspected several Observation Homes, Borstle Jail, Ladies Wards, Orphanage, Red Cross and Non Government Organisations involved in the welfare of the orphan boys and girls in the last two years. I also had the opportunity of visiting other government and NGO run anti-narcotic institutes. I interacted with the inmates including children and others, and after long deliberations with them realized that the society itself is responsible for forcing these prisoners, children and youth to take up the wrong path. The reason was clear. We had failed to provide proper environment, basic education, character building education which would have enabled them to become good citizens.

After deep thoughts and deliberations I have reached the conclusion that the central and the state governments should deal in checking this moral rot in society on a war footing in a time bound manner at the earliest. Besides the four above mentioned mantras suggested by me, I strongly recommend that the government should constitute a special department which should take up the responsibility of character building of the society and people in the far flung areas of the country. This department should serve as a Public Relations Department and aim towards promoting moral ethics for preparing good human beings. For this purpose the government should constitute a Board at the state level consisting of eminent and expert educationists which should help the government departments to prepare and implement necessary reforms.

I agree that preparing the basic course of action for the causes and the mitigation of rampant corruption, scams, ill-behavior, heinous crimes and similar such evils in society may take a longer time, but I can say with full confidence that if the government prepares and implements this programme with all sincerity and seriousness, then all these problems would be totally eradicated. In this way we would be able to get back our lost greatness and glorious heritage which would ultimately, make the lives of all the countrymen peaceful, happy and bliss.

ANNEXURE –‘B’**CORRUPTION AND CRIMES; REMEDIAL MEASURES THEREOF**

(भ्रष्टाचार, कदाचार, अनाचार, दुराचार, अत्याचार और अपराध के कारण तथा इन सबका निवारण)

(By जस्टिस प्रीतम पाल, लोकायुक्त, हरियाणा)

हमारी
विरासत

मुझे यह लिखते हुए गर्व महसूस होता है कि मेरा जन्म उस महान देश की पवित्र धरा पर हुआ, जहां ऋषि मुनियों, तपस्वियों, गुरुओं और साधु-सन्तों ने अपने वैदिक और ईश्वरीय ज्ञान द्वारा उच्च आदर्शों, जीवन मूल्यों और संस्कारों की स्थापना की और भारतीय संस्कृति और वैभव को विश्वपटल पर स्थापित किया। वास्तव में जीवन के इन आदर्शों और मूल्यों के बल पर ही मेरा भारत विश्वगुरु कहलाया। इसी के साथ सामाजिक, आर्थिक और व्यवहारिक श्रेष्ठता एवम् गुणों के कारण ही सोने की चिड़िया के नाम से सुशोभित हुआ। एक समय ऐसा था जब समस्त धरा के लोग, भारत वर्ष में जन्म लेने वाले भारतीयों से चारित्रिक शिक्षा, आधात्मिक शिक्षा लेने यहां आते थे (मनुस्मृति)।

एतत् देश प्रसूतस्य, सकाशात् अग्र जन्मनः,

स्व-स्व चरित्रं शिक्षेरन्, पृथिव्यां सर्व मरनवाः ॥ (मनुस्मृति से)

लेकिन आज मुझे बड़े दुःख और चिन्ता के साथ यह कहना और लिखना पड़ रहा है कि मेरी इस भारत भूमि पर समय के साथ-साथ जीवन के मूल्य भी परिवर्तित होने लगे और उससे सामाजिक, आर्थिक व राजनैतिक स्तर गिरने लगा। आज जिन हालातों से राष्ट्र गुजर रहा है वह सब हमारे सामने है। हर रोज कुछ न कुछ ऐसा घट रहा है कि प्रत्येक भारतीय का सिर शर्म से झुक जाता है। जिसके कारण व्यक्तित्व और मानवता दिन प्रतिदिन गिर रही है। कानून और व्यवस्था का डर भी कम हो रहा है। यह सब एक घोर चिन्ता का विषय है। हम सब देख रहे हैं कि महिलाएं प्रतिदिन हवस का शिकार हो रही हैं और देश की अधिकतर युवा शक्ति पथ भ्रष्ट हो रही है और वर्तमान में भ्रष्टाचार, घोटाले और 16 दिसम्बर, 2012 दिल्ली के निर्भय-दामिनी, और भ्रूणहत्या जैसे घिनौने अपराध देख कर ऐसा लगता है कि हमारी संस्कृति और संस्कार

पतन की ओर जा रहे हैं। इन सभी घोर समस्याओं का कारण जानना और उनका निवारण करना हम सब देशवासियों के लिए आज एक सबसे बड़ी चुनौती है।

कारण

भारतीय
शिक्षा और
संस्कृति का
लोप होना

जैसा कि ऊपर लिखा गया है, हमारी शिक्षा और संस्कृति एवम् जीवन मूल्यों की दुनियां में एक धाक थी। सारा संसार भारतवर्ष को विश्वगुरु मानता था। इस विषय में मुझे लार्ड मैकाले का 2 फरवरी, 1835 में ब्रिटिश संसद में दिये व्याख्यान का एक अंश याद आता है “ I have travelled across the length and breadth of India and I have not seen one person who is a thief and beggar. Such wealth I have seen in the country, such high moral values, people of such caliber; that I do not think we would ever conquer this country, unless we break the very back bone of this nation, which is her spiritual and cultural heritage, and therefore I propose that we replace her old and ancient education system, her culture, for if the Indian think that all that is foreign and English is good and greater than their own, they will loose their self-esteem, their native culture and they will become, what we want them, a truly dominated nation.”

अर्थात् भारत के लोगों में गज़ब के नैतिक मूल्य हैं। दर्शन धर्म और संस्कृति इस देश की रीढ़ है। इस रीढ़ को तोड़े बिना भारत पर विजय पाना असम्भव है। भारतीय शिक्षा पद्धति का आधार बहुत ही मजबूत, चरित्राधारित, वैज्ञानिक आधारभूत, परिपक्व, गुणवत्तायुक्त सर्वतोन्मुखी, स्वान्तः एवं परकीय सुख की कामना के साथ-साथ त्यागमयी एवं परोपकारी दृष्टि पर आधारित है, इस लिए भारतीय लोग महान हैं। इनको विचलित करना बहुत ही कठिन है। अतः क्यों न इनकी रीढ़ की हड्डी कहलाने वाली आदर्शमयी शिक्षा पद्धति को पहले खराब कर दिया जाए, ऐसा होने पर आगे जन्म लेने वाले भारतीय तो स्वतः ही पथ भ्रष्ट हो जाएंगे और हम अपने कार्य/मकसद में सफल हो पाएंगे। इसलिए सबसे पहले भारतीय शिक्षा पद्धति को बदल कर, भारतीयों का आत्मसम्मान तोड़ कर, तभी हम इस देश को सही अर्थों में गुलाम बना सकेंगे।”

विदेशी
सभ्यता,
शिक्षा और
कानून का
बोल बाला

इसके पश्चात इतिहास इस बात का गवाह है कि विदेशियों को जहां भी जैसे भी अवसर मिलता गया, वे हमारी भारतीय शिक्षा और संस्कृति पर लगातार प्रहार (चोट) करते रहे। इस दिशा में अनेकों कानून बनाये गये, शिक्षा पद्धति में संशोधन किये गये, अंग्रेजी भाषा को भारतीय शिक्षा का माध्यम बनाने के लिए धीरे-धीरे बढ़ावा मिलने लगा। सरकारी काम-काज में भी छोटे स्तर पर काम करने के लिये, भारतीय लोगों को, कलर्क/ बाबू बनाने के लिए, अंग्रेजी भाषा और उसकी संस्कृति को सीखने के लिए बाध्य होना पड़ा। पब्लिक स्कूलों में शिक्षा का प्रचार-प्रसार सब अंग्रेजी भाषा में ही लागू होने लगा। प्रातः कालीन प्रार्थना या सभाएं स्कूलों में पाश्चात्य सभ्यता (western culture) पर आधारित होने लगी। जिससे विद्यार्थियों की सोच, विचार, दिल और दिमाग अपनी मूल संस्कृति और मानव मूल्यों से दूर होते चले गये। इन सब के फलस्वरूप हमारी सोच, हमारा खान-पान, रहन सहन, पहनावा, रीति रिवाज, बोल चाल, चरित्र, और नैतिक मूल्यों के मापदण्डों में विदेशी सभ्यता का बोल-बाला बढ़ता गया, जिसका परिणाम हमारे सामने है। आज हमारे बच्चे, और युवक-युवतियां इस पाश्चात्य सभ्यता से अछूते नहीं हैं। शराब पीना, नशा करना और न जाने कितने तरह के मादक पदार्थों का प्रयोग करना, नौजवानों के लिए एक आम बात हो गई है। इन नशीले पदार्थों का सीधा असर सबसे पहले हमारी बुद्धि और ज्ञान शक्ति पर पड़ा, जिससे हमारी सोच और प्रवृत्ति तामसी हो गई। जिसके फलस्वरूप हम चरित्र-हीनता और अपराधिक भावों के साथ-साथ, भ्रष्टाचार, कदाचार, दुराचार, अनाचार, अत्याचार भरी जिन्दगी की ओर प्रवेश करने लगते हैं और हमारा यह अमूल्य एवं पवित्र जीवन नरक बन जाता है, जिसके कारण हमारा पास पड़ोस, गांव, शहर, समाज और राष्ट्र का सारा वातावरण दूषित होने लगता है। इन सबका प्रभाव हमारे परस्पर के सम्बन्धों पर स्पष्ट नजर आता है।

सोच और
संस्कारों का
पतन।

आज हम देख रहे हैं माता-पिता और बुजुर्गों के प्रति नौजवान पीढ़ी और बच्चों द्वारा उनका सम्मान आदर और सेवा-भाव घट रहा, वैवाहिक सम्बन्ध जो हमारी सभ्यता और संस्कृति का एक पवित्र बन्धन समझा जाता था वे सम्बन्ध भी दिन प्रतिदिन हमारे समाज में कमजोर पड़ रहे हैं। जिसके फलस्वरूप आज अदालतों में तालाक और

आपसी सम्बन्ध-विच्छेद तथा खर्च (Maintenance allowance) के मुकदमों की भरमार हो रही है। कानून बनाने वाले कानून तोड़ रहे हैं। (law makers are becoming law breakers) एक अंग्रेजी अखबार (Daily Post) में 25 जनवरी 1913 को छपी रिपोर्ट के अनुसार भारतवर्ष के वर्तमान में कुल 4835 sitting MPs. और M.L.As हैं। इनमें से 1448 यानि (31%) के विरुद्ध criminal cases pending हैं जबकि 641 के विरुद्ध serious cases (Rape, Robbery, Kidnapping, Murder, attempt to murder and Extortion) जैसे cases चल रहे हैं। इन सबके अलावा भी कितने बड़े-बड़े लाखों, करोड़ों और अरबों के घोटालों में अधिकारीगण और बड़े-बड़े राजनीतिज्ञ, मंत्री संलिप्त पाये गये हैं। चुनाव में धनबल और बाहुबल का प्रयोग बढ़ रहा है। जिसके कारण ईमानदार और शरीफ लोग राजनीति में आने से पीछे हट रहे हैं “So penalty for not participating in politics is that you end up being governed by your inferior” as rightly said by Plato.

अभी के दो उदाहरण

आज वर्तमान में अधिकतर लोगों में यह विश्वास और सोच पनप रही है कि जब तक रिश्वत नहीं दी जाती, तब तक कोई भी जायज काम होने वाला नहीं है। मैंने खुद महसूस किया है कि आम आदमी तो क्या बड़े-बड़े पढ़े लिखे लोग भी हमारी लोकायुक्त की संस्था में ऐसी शिकायतें लेकर आये हैं कि उनके बड़े काम तो क्या? छोटे-छोटे काम निचले स्तर पर बिना देरी के होने वाले कार्य भी सालों-साल तक लटकाये होते हैं। मैं यहां पर अभी की कुछ दिन पूर्व घटी घटनाएं उदाहरण के तौर पर दो शिकायतों के बारे में बिना किसी का नाम लिए आपको बता रहा हूँ। एक गांव के 'बी' नाम के आदमी ने अपने घर का प्लॉट बेच कर और अपनी पत्नी के गहने गिरवी रख 14 लाख रुपये अपने नजदीकी रिश्तेदार को दिए कि उसके लड़के को विदेश में काम करने के लिए भेजने का प्रबन्ध करें। उस रिश्तेदार का लड़का पहले से ही विदेश में गया हुआ था। रिश्तेदार ने पूरा भरोसा दिया हुआ था लेकिन उसके (रिश्तेदार) ने सारे पैसे पुलिस से मिल कर हड़प लिए। आखिर में न उस (बी) का लड़का विदेश भेजा और न ही उस के पैसे वापिस किये। पुलिस में शिकायत करने पर पहले तो कोई कारवाई नहीं हुई और फिर कई महीने चक्कर काटने के बाद केस दर्ज करके दो ऐसे लोगों का

चालान किया जो आगे ऐजेंट का काम करते थे। लेकिन जो असली दो मुजरिम थे उनके खिलाफ कोई कार्यवाही न करके, उनको कोर्ट में चालान भेजते समय निर्दोष करार दे दिया। शिकायत आने पर मैंने पुलिस अफसरों से जवाब लेकर उनकी चालान फाइल पढ़ी और पाया कि केस की तपसीस/ तहकीकात करने वाले पुलिस आफिसर (Investigation Officer) ने रिश्वत लेकर विदेश में भेजने के नाम पर 14 लाख रुपये हजम करने वाले दोनों मुलजमों को जानबूझ कर छोड़ दिया था। मैंने सारा कुछ देख कर और सुन कर यह observe किया कि मुदई (शिकायतकर्ता) रिश्वत न दे पाया जिसकी वजह से असली (Main accused) दोनों बच गये। लेकिन मैं यहां पर यह भी लिखना चाहता हूं कि जब मैंने नोटिस देकर उस तपसीस करने वाले पुलिस अफसर और जो लड़का विदेश में था जिसके आश्वासन पर 14 लाख रुपये दिये थे दोनों को अपने आफिस में Inquiry/जांच के लिए बुलाया तो रिपोर्ट मिली कि उन दोनों का देहान्त हो चुका है। कहावत सही चरितार्थ हुई कि पापी, दोषी, रिश्वतखोर न्यायाधीश और कानून से धोखा देकर बच सकता है परन्तु सबसे बड़े न्यायकारी प्रमात्मा से नहीं बच सकता।

दूसरी घटना HUDA Deptt. की है। एक B ने शिकायत की जिसमें लिखा था कि दो वर्ष से उसकी बिल्डिंग complete बन चुकी है परन्तु उसको completion certificate नहीं मिला। जिसकी उसने कानून के तहत अपील की, जो मन्जूर हुई और आदेश हुआ कि उसे (मालिक बी) को completion certificate तुरन्त/शीघ्रातिशीघ्र दिया जाये लेकिन उसे सरकार के आदेश के बावजूद certificate जारी नहीं किया। मालिक B ने करोड़ों रुपया बैंक से उधार लेकर वह बिल्डिंग Resort चलाने के लिए बनाई थी, लाखों रुपया महीने का ब्याज देना पड़ रहा था। इन सब के पीछे भी रिश्वत न देने का ही कारण था। मालिक B पर बैंक कर्जा और उस पर interest देने की वजह से तनावग्रस्त रहता था और उसके कारण से शूगर और हाईपरटैन्शन का मरीज़ बन चुका था। मेरे द्वारा inquiry पूरी होने से पहले उसी के दौरान एक पेशी पर उस मालिक B की पत्नी आई और बताया कि इसी केस की चिन्ता की वजह से उसके पति का देहान्त हो गया। इन सबका लिखने का मेरा एक ही

अभिप्राय है कि देखो आज अधिकारी और power में बैठे लोगों की सोच कितनी निर्दयी और घटिया हो चुकी है, वे कितने insensitive हो गये हैं कि जायज और सही काम भी रिश्वत दिये बिना समय पर नहीं होते। यहां दोषियों के नाम कानून को ध्यान में रखते हुए नहीं लिखे गये। ऐसी बुरी घटनाओं का परिणाम क्या होगा, उसके लिए Hon'ble Supreme Court ने हाल ही में महाराष्ट्र State के एक Corruption Act, 1988 के तहत केस की अपील फैसला करते हुये observe किया है “corruption is the mother of all evils that affect governance, economy, institutions and people's will to progress, and any soft approach in dealing with it will result in anarchy.

“Corruption mothers disorder, destroys societal will to progress, , accelerates under served ambitions, kills the conscience, jettisons the glory of the institutions, paralyses the economic health of a country, corrodes the sense of civility and mars the marrows of governance,” a Bench comprising of Hon'ble Justice K.S.Radhakrishnan and Hon'ble Dipak Misra observed in a judgment.

“It can be stated with absolute assurance that the tendency to abuse the official position has spread like an epidemic,” making people believe that “unless bribe is given, the work may not be done”, the Bench lamented.

“To put it differently, giving bribe, whether in cash or in kind, may become the mantra of the people” if the situation was allowed to continue, it noted while rejecting the plea of two government servants of Maharashtra for quashing a corruption case against them on the ground that their trial was going on for more than 26 years.....”

शिक्षकों और
शिक्षा के
स्तर का
पतन

आज हम सबके सामने है कि आमतौर पर हमारे शिक्षक अपने अधिकारों और मांगों को लेकर सड़कों पर उतर रहे हैं। कई बार तो हम टी.वी. चैनलों और अखबारों में शिक्षकों के ऊपर, पुलिस द्वारा लाठियां चलाते हुए देखते हैं। दूसरी ओर हमारे स्कूल और कालेजों के छात्र भी अपनी मांगों और अधिकारों को लेकर उग्र रूप धारण करते

देखे जाते हैं। इन सब घटनाओं के फलस्वरूप हमारा देश वास्तविक आधारभूत चारित्रिक शिक्षा के क्षेत्र में दूसरे देशों से पिछड़ रहा है। इस बारे में मैंने अपने देश के राष्ट्रपति माननीय श्री प्रणब मुखर्जी का दिनांक 22.03.2013 को सोनीपत हरियाणा में दिया एक बयान (statement) पढ़ा जिसके अनुसार “यह एक चिन्ता का विषय है कि आज हमारे देश में 659 डिग्री प्रदान करने वाली संस्थाएँ (Institutions) और 33023 colleges हैं। लेकिन एक International Survey के मुताबिक हमारी एक भी University दुनिया की 200 Top Universities में से नहीं है। He further said “India which represents about 17 percent of the global population, had filed only 2 percent patent applications in 2011. In all India filed about 42000 patent applications, whereas America and China filed more than 5 lakh applications.” उपरोक्त सब हालात यह दर्शाते हैं। कि हम आज शिक्षा के क्षेत्र में कितना पिछड़ गये हैं। इन सब बातों के इलावा आज शिक्षकों के चरित्र और विद्यार्थियों के प्रति उनकी पढ़ाने की निष्ठा में भी कमी महसूस करते हैं। उसी प्रकार छात्रों में अपने शिक्षकों के प्रति पहले वाला आदर भाव और गुरु शिष्य का पहले जैसा पवित्र सम्बन्ध नहीं पाया जाता। यह हम सब के लिए एक दुर्भाग्यपूर्ण वातावरण बनता जा रहा है और नैतिक मूल्यों (Moral Values) का पतन हो रहा है। वास्तव में ये सब बातें ही हमारे देश और समाज में दुराचार,, अनाचार और कदाचार जैसी भयानक बुराइयों का कारण बन रही हैं। यदि इन उपरोक्त सब कारणों पर अतिशीघ्र गहन सोच विचार करके लगाम नहीं लगाई गई तो, जैसे ऊपर Supreme Court ने लिखा है, देश और समाज को भयानक परिणाम भुगतने पड़ेंगे।

निवारण

जैसा कि इस अध्याय के आरम्भ में लिख चुका हूँ हम सभी भारतवासी कितनी महान गौरवशाली और वैभवशाली विरासत के धनी थे, जो आज छिन्न-भिन्न होती नजर आ रही है। लेकिन हमें हतोत्साहित होने की आवश्यकता नहीं, हम उन सब खोई हुई अपनी भारतीय संस्कृति मानव मूल्यों और परम्परा को फिर से प्राप्त कर सकते हैं और समाज, शासन तथा देश में सब ओर फैले हुये भ्रष्टाचार, कदाचार,

अनाचार, अत्याचार और अपराधों पर एक दम नकेल डाली जा सकती है, ऐसा मेरा दृढ़ विश्वास, सोच, विचार और 50 वर्षों का अनुभव है, परन्तु इन सबका निवारण करने के लिए निम्नलिखित मूल-मन्त्रों को धारण (Adopt) करके कार्यान्वित करना होगा। इस महायज्ञ में सफल होने के लिये सरकार और समाज दोनों को मिलकर दृढ़ संकल्प के साथ कदम उठाने होंगे फिर दुनिया की कोई ताकत हमें अपनी खोई हुई विरासत (Rich Heritage of culture & High Moral Values of Indian People जैसा लार्ड मैकाले ने 1835 में British Parliament में कहा था) उसको पुनः प्राप्त करने से नहीं रोक सकती।

पहला मन्त्र

राजनैतिक इच्छाशक्ति एवम् जनमत (Political Will & Public Opinion):-

सबसे आवश्यक और सबसे प्रथम हमारे सरकार में बैठे नेता और सभी राजनैतिक पार्टियां यह तय करें कि लोक-सभा और विधान सभाओं में जो नुमाइंदे चुन कर आने हैं, उनकी पहले योग्यता एवं चारित्रिकता निर्धारित करें। बड़े विडम्बना का विषय है कि आज सरकारी नौकरी में लेने के लिए एक चौकीदार और चपड़ासी की तो योग्यता और character की verification की जाती है, परन्तु जिन लोगों ने लोकतान्त्रिक देश और राज्यों की सरकारें चलानी हैं कानून बनाने हैं उनकी Qualification और character verification की जांच नहीं की जाती। मेरा यह मानना है कि यदि उच्च पदों पर बैठे नेता चरित्रवान और ईमानदार हों तो वे भ्रष्टतन्त्र और भ्रष्टशासन को भी स्वच्छ शासन Good Governance में बदल सकते हैं। इसके विपरीत यदि सरकार चलाने वाले नेता खुद अयोग्य, भ्रष्ट और चरित्रहीन हैं तो उसका क्या परिणाम होगा, इसका अन्दाजा आप खुद लगा सकते हैं।

सन् 1949 में जब भारतीय संविधान के निर्माता इसको final touch देकर पूर्ण कर रहे थे तो उस समय डॉ० अम्बेदकर ने और कई कमियां संविधान में महसूस की और उनके लिए कुछ संशोधन (Amendments) के सुझाव देने लगे तो इस पर डॉ० राजेन्द्र प्रसाद जो बाद में देश के राष्ट्रपति बने, उन्होंने कहा था “डॉ० अम्बेदकर जी खाली संविधान की कमियां दूर करने से देश का उद्धार और उत्थान नहीं हो सकता यह सब तो देश की लोकसभा और विधान सभाओं में चुने हुये और कानून बनाने वाले लोगों

के नुमाइन्दों पर निर्भर करता है। यदि वे (elected representative) ईमानदार और चरित्रवान हैं तो संविधान में हो रही कमियाँ देश की भलाई में आड़े नहीं आ सकती और यदि वे चुने हुए नुमाइन्दे ही भ्रष्ट और बेईमान हैं तो देश का लिखित संविधान भी लोगों और जनता का भला नहीं कर सकता।” यह सब लिखने का मेरा एक ही तत्पर्य है कि हम सब राजनैतिक दल मिलकर एक ऐसा तन्त्र (Mechanism) और Public Opinion बनायें कि जिससे भ्रष्ट, बेईमान और चरित्रहीन लोगों को देश की उपरोक्त संस्थाओं में चुनकर, राजसत्ता के कर्णधार बनने से रोका जा सके।

आरम्भिक शिक्षा का उद्देश्य चरित्र निर्माण और नैतिक मूल्यों पर आधारित हो:-

महात्मा गांधी ने कहा था शिक्षा वह है जो बच्चे का चहुंमुखी विकास करे (By Education I mean all round development of the child) अर्थात् जिससे बच्चों की शारीरिक, मानसिक और अध्यात्मिक/चारित्रिक उन्नति हो। इसी को दूसरे रूप में कह सकते हैं कि जिसको प्राप्त करके बच्चा एक श्रेष्ठ मानव बनकर, श्रेष्ठ समाज एवं महान देश का निर्माण कर सके। मेरे विचार में यही सबसे बड़ा इन भ्रष्ट समस्याओं का समाधान है। हम सब बड़ी-बड़ी धिनौनी शर्मसार भरी घटनाएं, चाहे वह भ्रष्टाचार, रिश्वत, बलात्कार, हत्या, या देश में हो रहे घोटालों की हो, उनको देख कर पहले यही कहते हैं कि नागरिकों की सोच (Mindset) में बदलाव की जरूरत है और साथ में कानूनों में सख्ती लानी जरूरी है।

हमारी सरकार और नेतागण कानूनों में कुछ संशोधन करके सोचते हैं। कि इन सब अपराधों का हल हो जायेगा। मैं पूछना चाहता हूँ कि क्या ऐसा सिर्फ कानून को सख्त बनाने से देश में फैल रहे दुराचार और भ्रष्टाचार और रिश्वतखोरी में कोई कमी नज़र आई है? आंकड़े बताते हैं इन सब प्रकार के जुर्मों में कमी की अपेक्षा बढ़ोतरी हो रही है। फिर कमी कहां है। वास्तव में कमी तो हमारे दिल-दिमाग और मन के विचारों में है हमारी सोच (Mindset) और संस्कारों में है। इन सबको बदलने के लिये भी क्या हमने पिछले आज़ादी के 65 वर्षों में कोई कदम उठाये हैं?

आज भी हम देश में कोई बड़ी शर्मनाक घटना होने के बाद यही कहते सुनते आ रहे हैं कि हमारी सोच में बदलाव की जरूरत है। थोड़े दिन अखबार, रेडियो,

टी.वी. चैनलों पर सरकार के कुछ लोग और नेतागण अपनी-अपनी बातें करके चुप हो जाते हैं। जबकि आज मैं। समझता हूँ कि सोच केवल कहने से बदलने वाली नहीं, न ही इसकी कोई ऐसी चाबी है, कि जिसके लगाने से नवयुवकों और देश के लोगों की सोच (Mindset) में एकदम बदलाव आ जायेगा और सब भ्रष्टाचार और अपराध समाज से समाप्त हो जायेंगे।

वास्तव में इन सब उपरोक्त भयानक समस्याओं का हल निकालने के लिए लम्बे स्तर पर (Long term plan) बनाने की अति आवश्यकता है। इसके लिये शिक्षाविदों (Eminent Educationist) की केन्द्र और राज्य स्तर पर कमेटियाँ बनाई जायें जो बड़े सोच-विचार के साथ विद्वानों से विचार विमर्श करके आरम्भिक शिक्षा का विस्तार रूप और ऐसा स्लेबस/पाठ्यक्रम तैयार करें जिससे बच्चों की मानसिक, बौद्धिक, चरित्रिक व शारीरिक शक्तियों का चहुंमुखी विकास के साथ-साथ उनके विचार, सोच, संस्कार और नैतिक मूल्य स्कूल स्तर की शिक्षा पूरी करने तक, इतने मजबूत (strong) दृढ़ (Firm) हो जाएं कि जब वे उच्च शिक्षा के या जीवन के किसी भी क्षेत्र में जाएं तो देश के एक आदर्श और जिम्मेवार नागरिक बन कर काम करें। ऐसे उच्च चरित्र के नागरिक ही आने वाले समय में अच्छे माता-पिता, अधिकारी, नेता और कर्मचारी बनकर, समाज, राज्य, व देश हितैषी कर्णधार बनेंगे।

मैं अपने जीवन के अनुभव के आधार पर यहाँ पर यह भी बताना चाहूँगा कि आज भी मेरे सामने ऐसे लोग भी आये हैं कि जिनकी समाज और शासन में अपनी ईमानदारी और उच्च चरित्र की वजह से एक अलग ही शौहरत है। कई ऐसी गम्भीर शिकायतें मेरे सामने पेश हुईं, जिनमें दोनों पार्टियों ने रजामन्द होकर कहा कि फलों और अमुक आफिसर से जाँच करवा दो और वह दोनों को मंजूर होगा। इस प्रकार के नेक और अच्छी छवि के लोग आज भी गिने चुने हर क्षेत्र में मिलते हैं। गहराई से सोचने और जानने के बाद पता चलता है कि इन सबके पीछे उनके परिवार और अच्छी स्कूली शिक्षा द्वारा दिये गये उच्च संस्कार और जीवन के नैतिक मूल्य आज भी उनके अन्दर विद्यमान हैं।

आदर्श माता-पिता, शिक्षक और समाज

सबसे पहले माता-पिता की जिम्मेवारी बनती है कि वे अपने बच्चों के जन्मदाता के साथ-साथ उनके श्रेष्ठ जीवन निर्माता भी बनें, बच्चा बड़ा होकर भी स्कूल में शिक्षकों के पास तो छः घंटे के लिए ही रहता है। जबकि बाकी अठारह घंटे माता-पिता, अपने परिवार/आस-पड़ोस के साथ ही रहता है। बच्चों के आरम्भिक संस्कार तो माता-पिता की गोद में ही मिलते हैं। लेकिन आज जो हम देख रहे हैं, अधिकतर बच्चों का बचपन तो बिना माता-पिता की देख रेख के ही निकल जाता है। जिसकी वजह से बच्चों की सोच, आदतें, स्वभाव और संस्कार बिगड़ने लगते हैं। जिनको बाद में संवारना और बदलना बड़ा मुश्किल हो जाता है। इसलिए यह अति आवश्यक है कि माता-पिता अपने बच्चों के निर्माण के लिए उन पर अपने और कामों की अपेक्षा अधिक ध्यान और समय दें। इसी के साथ यह और भी आवश्यक हो जाता है कि माता-पिता का जीवन बच्चों के लिए आदर्श मानव मूल्य पेश करें।

इसके बाद माता-पिता की गोद से निकल कर जब बच्चा अपने शिक्षकों और गुरुओं की custody (अर्थात् स्कूल में) जाये तो वहाँ पर उसको एक शुभ, पवित्र और चरित्र निर्माण करने वाली शिक्षा का वातावरण मिले। इस सबके लिए आवश्यक है कि सरकार शिक्षा के क्षेत्र में धन लगाने के बजट पर विशेष ध्यान दें। ताकि बच्चों को अच्छी से अच्छी शिक्षा प्रदान करने का एक आदर्श रूप (Ideal Infrastructure) तैयार हो सके, जहाँ पर हमारे स्कूलों में पढ़ाने वाले शिक्षक भी योग्य, चरित्रवान और निष्ठावान हों। मेरा यह मानना है कि शिक्षा और शिक्षक को देश और समाज में सबसे ऊँचा स्थान देना सरकार का पहला काम है। इसके लिये आवश्यक है कि उच्च कोटि के शिक्षक तैयार किये जायें, जिनका कैलिबर High (शिक्षा का स्तर, योग्यता) ऊँचा हो उन्ही लोगों को शिक्षा के क्षेत्र में चुना जायें। फिर उनकी ट्रेनिंग इतने उच्च स्तर की हो कि शिक्षक बनने के बाद वे विद्यार्थियों और समाज के लिए “मनुर्भव” अर्थात् उनका जीवन एक आदर्श मानव मूल्यों का उदाहरण Example पेश कर सकें। इस प्रकार उच्च स्तर के चरित्रवान और निष्ठावान शिक्षकों को सरकार और प्राईवेट संस्थाएं उच्च स्तर के वेतनमान और शिक्षा सम्बन्धित सहूलियतें प्रदान करें। ऐस सब करने के लिए

सरकार को बिना देरी कदम उठाने चाहिए, ताकि आने वाली पीढ़ी को एक आदर्श और उच्च चरित्र निर्माण, और नैतिक मूल्यों की शिक्षा प्रदान कर, नई श्रेष्ठ पीढ़ी को तैयार किया जा सके। इसी से हमारे देश और समाज में भ्रष्टाचार, अनाचार, अत्याचार और अन्य जो हो रहे धिनौने अपराध हैं, उन सबका समय के साथ-साथ अपने आप निवारण होता चला जायेगा।

अश्लील और निम्न स्तर का साहित्य, टी.वी. चैनल के प्रदर्शन, फिल्म शो, मैगज़ीन (पत्रिकाएं), पोस्टर, अखबार आदि प्रिंट एवं इलेक्ट्रॉनिक मीडिया पर कानून द्वारा पाबन्दी हो।

इन सबके बारे में इतना कहना ही मैं काफी समझता हूँ कि आज हमें अपने बच्चों और परिवार के सब सम्बन्धियों के साथ इक्ठे मिल कर उपरोक्त तरह के so-called ज्ञान, सूचना और entertainment के साधनों को सुनने देखने और पढ़ने में शर्म महसूस होती है, ऐसा क्यों यह आप सब जानते हैं और समझते हैं। इन उपरोक्त विषयों पर और अधिक लिखते हुये मुझे स्वयं शर्म आ रही है। इसके बारे में इतना ही लिखना काफी है कि सरकार और मीडिया के सब लोग एक ऐसी सहमति और मकैनिज़म तैयार करें, जिससे हम इन सब साधनों का, बच्चों, युवकों, समाज और देश की भलाई तथा सुख-शान्ति के लिए प्रयोग में लाया जा सके। आज हम अपने चारों तरफ देख रहे हैं कि ये सब उपरोक्त साधन बिना किसी रोक टोक के अपना-अपना प्रदर्शन पैसा कमाने की होड़ में किये जा रहे हैं। सरकार और राजनेताओं को जितना जल्दी हो सके, इन सब पहलुओं को ध्यान में रखकर, सख्त कानून बनाना चाहिए।

सरकारी चरित्र निर्माण विभाग:- मैंने पिछले 2 वर्षों से कई हरियाणा राज्य की बड़ी जेलों, बच्चों की जेलों जैसे observation home, Borstle Jail, Ladies Wards, अनाथालय (Orphanage) और कई सरकारी, रैडक्रास और गैर सरकारी अनाथ छात्र-छात्राओं के लिए चलाई जा रही संस्थाओं का निरीक्षण किया। इस प्रकार और भी कई सरकारी एवम् N.G.O. द्वारा चलाये जा रहे नशामुक्ति केन्द्रों में भी जाने का मौका मिला। इन सब उपरोक्त स्थानों पर रह रहे शिशुओं, लोगों और बन्दियों Inmates से विस्तृत बातचीत (Interaction) भी की, आखिर में इस नतीजे पर पहुंचा कि अधिकतर बन्दी एवं उन बच्चों, नवयुवकों और लोगों को, वहाँ भेजने में हमारे

परिवार, समाज और सरकार ही जिम्मेवार है। क्योंकि हम सब उनको (Inmates) को सही वातावरण मौलिक शिक्षा और चरित्र निर्माण के संस्कार देने में असफल रहे हैं।

बड़े गहन विचार और सोचने के बाद मैं इस नतीजे पर पहुंचा हूँ कि केन्द्रीय सरकार और राज्य सरकारें समाज में फैल रही चरित्रहीनता, अराजकता और भ्रष्टाचार की उक्त समस्या को हल करने के लिये war footing पर उचित समय रहते कदम उठाएं। इसके लिए मेरा एक सबसे बड़ा सुझाव यह है कि दूसरे ऊपरलिखित चार मूल मन्त्रों के साथ सरकारी तौर पर एक ऐसा विभाग Department create किया जाये, जो समाज, जनता और दूर दराज के क्षेत्रों में जाकर Public Relation का काम करते हुये, लोगों के चरित्र (Character building) और नैतिक मूल्यों (Moral Ethics) और संस्कार बनाने के साथ देश के अच्छे नागरिक (good human being) बनाने की जिम्मेवारी लें। यह सब करने के लिए इस क्षेत्र में Eminent और Expert Educationists का राज्य स्तर पर Board constitute किया जाये जो सरकारी महकमों को इस विषय पर पहले पूरी रूप रेखा तैयार करके उसे पूरी तरह से लागू करवाये।

मैं यह मानता हूँ कि जो इस अध्याय में भ्रष्टाचार, कदाचार, अनाचार, अत्याचार, दुराचार और अपराध की मोटे तौर पर रूप रेखा और उनके घटित होने के कारण जानकर उन सबको दिये गये उपचारों से निवारण करने के लिए कुछ लम्बा समय लग सकता है लेकिन मैं यह पूर्ण निश्चय और विश्वास के साथ कह सकता हूँ कि यदि सरकार मेरे द्वारा दिए जाने वाले उपरोक्त सुझावों के साथ प्रोग्राम को पूर्ण इच्छा शक्ति से लागू कर पाई तो इन सब समस्याओं का जड़ से उन्मूलन हो जायेगा और इस प्रकार हम अपनी खोई हुई गौरवशाली और वैभवशाली विरासत को फिर से प्राप्त कर पायेंगे जिससे सब देशवासियों का जीवन शान्तिमय एवं सुखमय हो जाएगा और यह देश और उसके नागरिक पुनः सदाचारी एवं आदर्शमय बन सकेंगे।
